

"I have never been to a better museum than Portsmouth Historic Dockyard. There, the past is tangible and alive."

Dan Snow, TV Historian

A look ahead to 2011...

2011 will mark important anniversaries in our calendar, with the 150th anniversary of the launch of HMS Warrior 1860 as well as the date she was first commissioned. It also marks the 10th anniversary of the opening of Action Stations, our most contemporary attraction. Watch this space for special events taking place to mark these special occasions.

Special events taking place during 2011 are a Celebration of Steam, 7th - 8th May and A Victorian Festival of Christmas, 25th - 27th November 2011. Events include entry to our attractions as they take place in and around our Historic ships and museums.

Groups of 15 or more receive a discount on standard visits to the Historic Dockyard and superior discounts on events. Coach drivers get into the Historic Dockyard attractions for free.

You can now book exclusive tours of two of our most iconic attractions HMS Warrior 1860 and the Mary Rose Museum with the chance to learn more about what goes on behind the scenes and meet the experts who bring them to life.
